## Fee increases to all eligible part time chairs and members of government boards subject to or applying the government policy

On 18 May 2007 the Cabinet Budget Review Committee approved a "catch up" increase to be paid to all eligible part-time chairs and members of government boards and committees subject to the Government's remuneration policy.

This increase is based on the All Groups Brisbane Consumer Price Index.

The increases cover the period September 2004 to September 2006.

The new fee schedule is available at:

<http://www.psier.qld.gov.au/policies/remunrates.shtml>

The full day rate applies to all meetings and special assignments in excess of four hours in a day. The half day rate applies to work of 4 hours or less on a particular day.

Provision for half-day fees is to be included in all significant appointment Cabinet submissions unless a persuasive reason for not doing so is canvassed in the submission.

All boards at the same fee level are to receive the same fees.

The fee increases are to be paid to a board –

- only after the approval source (i.e. Governor in Council, Minister, Cabinet or other authority) for fee increases to the individual board has confirmed that the increases apply; and
- where the time worked has been documented.

Fees paid to chairs and members of **all** government boards must be consistent with authority approving the fees i.e. the Executive Council Minute, Cabinet decision or decision of the Minister.
