

**Department of Education, Training and the Arts - Nurses - Appendix 12**  
**Agreed items not contained in the Core EB**

- The department will endeavour to implement agreed recommendations from the submission regarding the provision of state-wide nursing services for students enrolled in state schools, giving consideration to:
  - The role and scope of nursing services in Education Queensland; and
  - The allocation of nursing positions state-wide, considering schools currently N coded and recommendations from Outreach pilot.
